

STUDY ABROAD CANADA COLLEGE

Welcome to SACC

At SACC, everything is designed to maximize your comfort and your learning. Feel at home in SACC's spacious, welcoming lobby filled with comfortable sofas and chairs and socialize with friends in one of the numerous nooks throughout the school. Spend the day learning in bright, air conditioned classrooms with qualified, experienced teachers. After your day, catch up on homework in our computer lab or take a relaxing walk downtown. Grab a coffee or a bite to eat with friends in one of the many cafes and restaurants or do some shopping on the mall across the street. Whatever you decide to do, you will be immersed in English and working pleasantly towards your goals.

Intensive English Program

Our program is tailored to develop your English proficiency across a spectrum of everyday and academic contexts, empowering you to communicate effectively and confidently. By focusing on an integrated approach to ESL instruction, we cover five critical skill areas: reading, writing, listening, speaking, and grammar. Whether you're aiming to boost your language skills for academic success or personal growth, our program provides an enriching experience that will expand your linguistic abilities and cultural understanding.

EXPLORE

Prince Edward Island

Prince Edward Island is unique. PEI is surrounded by a beautiful, calm ocean, gentle hills, vast grasslands, rare red soil, wide open skies, and clean air. It is one of the safest places in Canada. Islanders are friendly, and it is still common for people to say “hi” and smile at you on the street. Prince Edward Island is known as Canada’s Food Island. It is renowned for fresh seafood including world-renowned Malpeque Bay oysters and lobster.

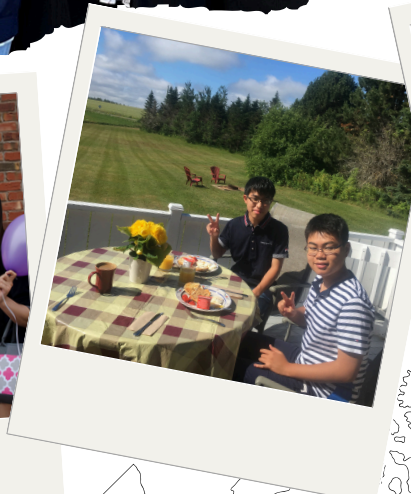

Anne of Green Gables: This classic novel written by Lucy Maud Montgomery is set in PEI. It tells the story of Anne Shirley, an imaginative and spirited orphan, who comes to live at Green Gables, a farm located in Cavendish. The book has captured the hearts of readers around the world and has been translated into 36 languages. It is a part of PEI’s cultural landscape, inspiring a popular museum, multiple tourist attractions, and the longest running musical in the world.

Charlottetown: This is the capital city of PEI and is known for its historic charm, vibrant arts scene, and beauty. You can explore historic sites and enjoy local seafood, attend cultural events and festivals and much more. It's known as the "Birthplace of Confederation" because the Charlottetown Conference of 1864 led to the formation of Canada.

Confederation Bridge: Spanning 12.9 kilometers (8 miles), the Confederation Bridge is an engineering marvel that connects PEI to mainland Canada. It's the world’s longest bridge over ice-covered waters and is one of Canada’s greatest engineering achievements. You don’t need to cross the bridge to enjoy it. You can enjoy scenic views from nearby Gateway Village, which offers great shopping and dining.

Experience all these and more by joining our program.
