2015 Group Program

SACLI is happy to offer programs for groups, both small and large. We organize all the details of your group tour and plan a program that specifically meets your needs (**Minimum of 6 participants required**).

How can you contact us?

Please fill out the inquiry form, which can be found at www.studyincanada.ca/contact.php, and include the details of your group in the “other comments” box. We will send you a quote and answer any additional questions you may have about our programs.

Why choose SACLI’s Group Program?

We can organize “closed programs”, tailored to the specific interests of your group, or groups can join any of our programs: Intensive English Program, Study Tour Program, or Junior Vacation Program.

“Helen Green, and her colleagues at Study Abroad Canada Language Institute, created an innovative academic program of study which made a valuable contribution to the preparation of a major student-led extracurricular Peace Studies Project at our university. I would be very happy to plan similar events with Helen Green and Study Abroad Canada Language Institute in the future.” (Craig Smith, Professor, Department of British and American Studies, Kyoto University of Foreign Studies, Japan, February 2009).

Study.

Learn.

Live!

Sample Programs for Groups at SACLI include:

Intensive English Program

The Intensive English Program (IEP) is for students who want to improve their English for personal or job related purposes. In this program, you will develop well-rounded English skills so you can express yourself in both everyday and academic situations.

Study Tour Program

The Study Tour Program combines morning classes and afternoon activities which allow students to visit different communities around Prince Edward Island.

Christmas in Canada Study Tour Program

The Christmas in Canada program offers students the opportunity to experience a Canadian Christmas. You will go to classes in the morning and learn English using a curriculum that focuses on Christmas. Every afternoon, you continue to practice your English as you participate in activities that are common at Christmas time in Prince Edward Island.

Anne of Green Gables Study Tour Program

The Anne of Green Gables program offers “Anne” fans the opportunity to learn all about Anne by reading and studying the Anne of Green Gables book in the mornings, and, in the afternoons, participating in fun activities related to Anne of Green Gables and author Lucy Maud Montgomery.

Junior Vacation/Summer Camp Program

The Junior Vacation Program (known in some areas as a Summer Camp or Summer Language and Culture Program) is for students aged 12-16 years who would like to experience Canadian language and culture while developing their English language skills. In the morning, students study English in a traditional classroom setting. In the afternoon, students practice their English skills while doing activities that focus on Prince Edward Island’s culture, history, or natural beauty.

Young at Heart Program

The Young at Heart program is a one or two week Study Tour specifically for those who are 50 years of age or older. Parents, couples, friends, English circles, etc. are welcome! Students improve their listening and speaking skills in the morning and participate in a variety of activities in the afternoon.
